Friends--

Thank you for the wonderful send off on June 19 for me and my family. Words can't capture the full range of emotions felt but I can say it has been an honor and a blessing to serve as your pastor these past eight years. Thank you for the food and fellowship following worship and all the hands and hearts that went into its preparation. As we all move forward on our faithful journeys know that you are blessed and are a blessing to the community. You will continue to be a shining beacon for the community of De Soto as you continue to show the love of Christ for all.

Peace,
Pastor Jeff

FROM YOUR TRUSTEES

Friends,

This coming Saturday, June 25th at 9AM, we will be having an outdoor work day at the Parsonage at 8720 Lake Street in De Soto. Activities will include weed eating, hedge trimming, cutting saplings out of the fence, cleaning gutters, general landscaping, power washing the deck, cleaning the outdoor dryer vent, and other exciting activities as they present themselves! We should have all the tools needed but if you would like to bring your own, please feel free to do so. We do recommend bringing gloves but will have some extras as well. While Trustees is leading this, all are welcome to join. Any extra hands, big or small, young or experienced, are welcome!

We will be having an indoor work day at the Parsonage on Saturday, July 9th. This will be to help do a final deep cleaning of the Parsonage after appliances, painting and doors have been installed. This will be our last chance to make a great first impression for Pastor Kim and his family at their new home. A reminder on this will be sent out closer to the day.

Thanks again to all who serve and please consider stopping by, even if for an hour or two on one or both work-days. Many hands make large tasks small!

Blessings,

Eric Young
